Friday 7th September 2018

Dear Parent/Carer,

Eight Year 6 children will have the privilege of being selected by their peers to become Team Captains for their team colour and the school. Team Captains play an important role in providing support for the younger children as well as assisting during assemblies and also at various events during the year, such as Parent Consultation evenings.

I have spoken to the Year 6 children about the Team Captain role and explained what they need to do to be considered for a position. Children who are interested in becoming a Team Captain will need to create a two minute speech outlining why they think they can do a good job. They should not create a Power Point presentation but may have short notes to support them, if needed.

It is important to note that children who are given this responsibility understand that they are role models for the school. With this in mind, Team Captains should always endeavour to follow our Golden Rules and strive to be the best that they can be.

The children will be presenting their speeches to the school on Tuesday 18th September.

Kind regards

A handwritten signature in black ink that reads "M Walton".

Mike Walton

Head of School
